

We need your help to make life a little easier for the guest families staying with us! Select a kit that your team can assemble off-site and ship or coordinate a time to deliver to us. We ask that you do not include paints, glue, stickers, clothing, cosmetics or food in any kits. To avoid including unnecessary items, we recommend adhering to these lists. If you have any questions, please contact Lori-Anne Miller at Lori-anne@rmhcphilly.org. Thank you!
