

ADOPT A ROOM 2023

Ronald McDonald
House Charities
Philadelphia Region

The Adopt A Room partnership program allows you, your company, or your organization to be the room sponsor of a guest room at one of our two Houses—Chestnut Street or Front & Erie. Your funding will support the housekeeping and maintenance of that room and thereby provide a clean and comfortable space for all the families who will stay in that room for a whole year.

By partnering with our Adopt A Room program, you are doing more than making sure families have a safe place to sleep each night—as vital as that is. You are making it easier for children to get the treatment they need and have their families close by their side, every step of the way. You are eliminating many of the financial challenges that come with traveling long distances for medical care, so that parents can focus on what is most important—their child’s treatment and the wellbeing of their entire family.

“After being in the hospital taking care of Saul for 10 to 14 hours, the Ronald McDonald House gives me a little of my regular life far away from home, with a clean and comfy bed, and a clean bath. Thank you for always being there for us, I don’t know what we would do without you.”

- Samantha Arrambide,
House Guest

Baby Saul was born with a serious genetic condition, and has spent over 9 months in the hospital. His family has stayed at the House for over 270 nights.

During 2021, more than 1,200 families stayed at our two Ronald McDonald Houses for more than 30,000 nights total. About half of these families (54%) were our neighbors, traveling from throughout Pennsylvania and New Jersey for their children to receive world-class pediatric care. In total we welcomed families from 47 states and 24 international countries. Of these families, 45% reported that they receive some form of public assistance on top of facing their child’s medical journey.

The average stay at RMHC Philly is about two weeks, but nearly a quarter of our guests stayed with us last year for at least 30 days with over 75 families staying for one hundred days or more.

Notes from actual
RMHC Philly guests

Thanks doesn't seem like it's enough to say.
we have never been on the receiving end of
such kindness from strangers. The RMHC
took such good care of us. We weren't
stressed about any of our physical needs.
We are so grateful to you for giving us
that gift.

From

Kelly, Diana & Parker

I can't say thank you enough for
your help during a very difficult
time in my life. Because of RMHC I was
able to be close to my son while staying
in a safe environment. I'm forever
thankful.

From

L. PA & SAMAL

and Hunter ♥

Adopt A Room Sponsorship Levels

Sponsorships are fully tax deductible.

\$5,000

Exclusive Room Sponsor

Donor will have exclusive sponsorship over one guest bedroom at the Chestnut Street House or the Front & Erie House for 2023.

\$2,500

Shared Room Sponsor

Two donors may be assigned to the same guest bedroom for the period of one year. Paired donors will not be in competing industries.

All Adopt A Room Sponsors will receive the following benefits:

- Recognition of your sponsorship will greet all guests and visitors on the floor of your sponsored room, and you/your company will be listed on signage in a high traffic area in both of our Houses.
- You will receive personal notes from families who stay in your sponsored room during the year of your sponsorship.

Due to the limited number of Adopt A Room partnership opportunities available, you will have first right of refusal for the Adopt A Room partnership for the following year.

Add Additional Family Support to your Gift

\$1,000

Family Services Support

Your additional gift of \$1,000 will go toward enhancing the psychosocial services offered by our Family Services Team.

A family with a sick child is a sick family, and our Family Services team works day in and day out to bring wellness to the whole family. The services offered by the team—including stress-management, wellness workshops, financial support with routine expenses, regular one-on-one meetings, and more—create an atmosphere of care and support when families need it most.

As RMHC social worker Liz Thul says, **“The House provides the physical safety, our kitchen provides the nutritional safety, and the social work team creates the psychological, spiritual, and emotional safe space for our families. All of these elements are equally important to a family’s well-being.”**
