Welcome Blanket Project for Volunteers

Create a cozy memento for the families staying at the Ronald McDonald House. This off-site volunteer opportunity is the perfect way for your family and friends to make a meaningful impact on your own schedule.

an instructional
video

You Will Need:

- Fleece:
2 yards of a pattern and
2 yards of a solid color
- Rotary cutter and mat or scissors
- Tape measure or ruler

Directions:

1. Cut 56"x70" from each piece of fleece at the same time. Lay fleece back sides together, so the brighter/top is facing outside. Cut a 6" square from each corner of both pieces.
2. Fringe: Cut 6" into fleece at 1" intervals around all sides of the top and bottom layers. Knot fringes together around the blanket, using one strand from the front layer, and one strand from the back layer of fleece.
