A sample of activities includes: water-based fun (pool/lake), ropes course, yoga, sports, woodworking, arts/crafts, STEM, photography...
The counselors are all generous volunteers with thorough background checks and training on camp-specific topics. They range in age from 20-70s! 20% are previous RMC campers; their presence can be extremely hopeful for current campers.	Who are the staff/counselors?	The same description as virtual camp plus a full medical team from Children's Hospital of Philadelphia (CHOP). The wellness team is a critical element to keeping campers safe and medically attended to at camp. They include oncologists, nurses, pharmacists, social workers, and child life specialists!
Not provided (unless for a special activity; we will collect allergy information for this reason)	Food	3 meals a day plus snacks with a lot of variety. Food is consistently ranked high among campers. We can accommodate special diets with notice.
